Trick 1: The Floating Cup

STEP 1

Mark an X on the side of the cup, about 1/3 from the bottom. Then make a small hole with a pen or pencil.

STEP 2

Ensure the pen / pencil goes right through the cup and then expand the hole with your finger, followed by your thumb.

STEP 3

Guide your thumb through the cup and position in a comfortable place where the cup can be held / released.

STEP 4

Once your thumb is through the cup, then it's time to hold the cup, focus say the magic words and watch your cup float.
